The Rally for the Troops Foundation assists Veterans and Active Duty Service Members who are coping with the challenges that developed as a result of their military service. Our team enables soldiers and veterans to overcome psychological and physical challenges such as PTSD, (TBI) Traumatic Brain Injuries & mobility limitations by providing them with Mentorship, Motivation, team work and the resources needed to assimilated and compete as a team in amateur Rally and other Auto Racing Venues. The Veterans and Soldiers will have opportunities to learn the roles and serve as Crew members, Service Technicians, Racing Support , Co-Drivers and Drivers as the foundations assist them to develop a rehabilitation plan suited to their individual needs. Our team of mentors, instructors and support staff are dedicated to the cause. Our program has had proven success and will continue to press the fight forward.
